

# *JOIN THE FIGHT AGAINST SEXploITATION*

**APPLY FOR A SEXUAL JUSTICE ADVOCATE INTERNSHIP POSITION TODAY**

The **National Center on Sexual Exploitation** (NCOSE) works to expose and combat the full spectrum of sexual exploitation—pornography, prostitution, stripping, sexual trafficking, child sexual abuse, sexual assault and rape—while emphasizing pornography’s central role in fueling other forms of sexual abuse. We believe pornography is the cornerstone of sexual exploitation, and recognize that its harmful effects are creating a public health crisis that poses a serious threat to society.

Internships at NCOSE provide energetic and highly motivated individuals the opportunity to address these issues while gaining new skills through hands-on opportunities that seek to prevent exploitation before it begins and foster a national culture that stands for freedom from sexual exploitation.
