

Child Nudity & Sex Trafficking Books

Amazon.com is selling books featuring collections of Jock Sturges, Sally Mann, and David Hamilton photography.

These publications contain numerous images that many, including experts on child sexual exploitation, consider akin to child pornography, or at the minimum, content that eroticizes children.

These same publications are replete with pictures of nude prepubescent and adolescent children—many of which display their pubic areas or genitals. These are not images reminiscent of a family photo album of children at bath time but are haunting displays of provocative child nudity.

While these publications (and films) are widely available and have been in circulation for many years, such material is unfit for sale by any reputable retailer. Retailers like Amazon should strive to prevent the dissemination of material that gratifies perverse sexual interest in children, not cater to it.

Last year, Walmart.com was also selling Jock Sturges publications, but upon receiving a letter on the matter from us, took swift action and removed his books from their online store within 24 hours - you can thank Walmart for removing these publications here.

We ask that Amazon act responsibly and do the same.

The Pimp's Bible: The Sweet Science of Sin Paperback – February 1, 2001

by Alfred Bilbo Gholson (Author)
★★★★☆ 87 ratings

These stories are as real as they come, they ain't no joking matter. It's a rude awakening to life, or an existence in the underworld- life underground another world, one of money, sex and drugs. This is life on the streets of a big segregated city-the South side of Chicago. Bilbo knows it, for he has lived it, especially after being crowned, and given the title: KING OF THE PIMPS. He ran these streets for over fifty (50) years, and now he breaks the street code, and opens up the closet doors, and thus reveals the hidden and dreary secrets behind the world of pimps, prostitutes, and other notorious street players. According to Mr. Alfred Bilbo Gholson, the law of the streets, as the law of the Jungle dictates that ...the one who does the choosing will do the paying . You must read and re-read this book THE PIMP S BIBLE , but be careful, for it might traumatize the fuc- out of you, especially when you learn for the first time on these printed pages about some of those tricks which are used on the streets and in, night clubs across America. -Sekou Tafari

Star of the HBO documentaries *Pimps Up, Ho's Down* and *American Pimp*, Annual Players' Ball "Mack of the Year" winner Ken Ivy reveals the unwritten rules that took him from the ghetto streets to the executive suites.

The names change, but the game remains the same. In *Pimpology*, Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules.

If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall.
