Submitting to the Slave (Interracial romantic erotica, Black plantation slave dominance) Kindle Edition

Book 1 of 2: Submitting to the Slave

Elizabeth is supposed to marry Thomas within the month. The only problem is that she hates him, and he hates her. Somehow, they get through their days not speaking to one another and only fighting when they do. As Elizabeth is left unsatisfied, her thoughts begin to wander and her eyes search for a new man... A strong, hard-working, respectful man. That man only happens to be the field hand, Toby, one of Master Thomas' yard slaves on the estate.

When Elizabeth and Thomas get into another fight at a neighboring plantation's seasonal ball, Thomas forbids Elizabeth from entering their home and forces her to sleep in the barn. Only, Elizabeth finds she isn't the only one sleeping in the hay...

This is a terribly sexual, overly-descriptive, explicit, dirty, interracial, master & slave story of dominance and submission between a blonde white woman and her powerful, dedicated black slave involving chains, dirty talk, doggy style, oral, cum-play, southern plantation african american barn sex, and mind-blowing orgasms. Intended for mature audiences 18+

Shared by the Slaves (Interracial Historical Romance BDSM) (Submitting to the Slave Book 2) Kindle Edition

by [Claire Elise](#) (Author) | Format: Kindle Edition

Book 2 of 2: [Submitting to the Slave](#)

Elizabeth continues to engage in a secret relationship with the Yard Slave, Toby, while her land-owning fiancé suspects nothing. He is only known as Toby around the plantation, but to Elizabeth, he is Bornani - the powerful, sexual, dominant captor of her fantasies.

Weeks have gone by without any sign of the plantation catching on to their secret affair, but when Thomas brings in a new field slave, he threatens to sell Bornani at the auction in Charleston only two weeks away. As Bornani and Elizabeth make plans to take precautions, they find that they are not the only ones in the barn, and the one who overheard their plans is willing to keep a secret, so long as they meet his perverse demand...

This is a terribly sensual, overly-descriptive, explicit, dirty, interracial, master & slave story of dominance and submission between a blonde white woman, her powerful, romantic field slave, and a mysterious newcomer to the plantation, involving chains, doggy style, an MMF threesome that will make you yearn for your own. First-time anal, southern plantation slaves, and mind-blowing, double-stuffed orgasms. Intended for mature audiences 18+

Black Master, White Slave Kindle Edition

by Rebecca duBois-Guilbert (Author) | Format: Kindle Edition
★★★★☆ 12 ratings

In the South of the 1820s it was unusual for a free black man to be a slaveholder. It was scandalous for a black man to buy a white slave, especially one that was a woman. Josiah Cavanaugh didn't care. Once he saw the red-haired Irish girl on the slave block – the girl who so resembled the woman who had seduced and humiliated him – he had to own her. Then perhaps he could exorcize his demons and get the sexual revenge he had longed for.
