By Claire Elise

Elizabeth continues to engage in a secret relationship with the Yoruba Slave, Toby, while her law-abiding fiancé suspects nothing. He is only known as Toby around the plantation, but to Elizabeth, he is Bomani—the powerful, sexual, dominant captor of her fantasies.
Weeds have gone by without any sign of the plantation catching on to their secret affair, but when Thomas brings in a new field slave, he threatens to send Bomani at the auction in Charleston only two weeks away. As Bomani and Elizabeth make plans to take precautions, they find that they are not the only ones in the barn, and the one who overhears their plans is willing to keep a secret, so long as they meet his perverted demand...

This is a terrifying, over-the-top, explicit, raunchy, best-selling, true-life story of dominance and submission between a blond white woman, her powerful, romantic, and slave, and a mysterious newcomer to the plantation, involving chains, doggy style, an MMF threesome that will make you yearn for your own. First-time anal, southern plantation slaves, and mind-blowing, double-stuffed orgasms. Intended for mature audiences 18+.
