

Poetry and Short Story Reference Center on EBSCO 2018 and prior

Material that appeared in Grade 6 search:

This 4-minute video demonstrates material available through Fox Ridge Middle School in Cherry Creek School District in Colorado (also available at other schools across US that have this product). The moderator typed in the search term "boys stories" (which young boys are likely to type in as they search of content tailored to their interests) which then displayed hundreds of recommended stories and poems, most of which included sexualized and pornographic content. A few examples are shown in the video. Below are still shots taken from the video.

Note that this same material is available to elementary schools if the schools subscribe to the Poetry and Short Story Reference Center as there is no difference or filtering between age levels. All content is available to all users, regardless of age.

Logged into EBSCO product Poetry and Short Story Reference Center and typed in search "boy's stories," thinking that it might be an innocent search term used by male students looking for relevant items to their interests.

Most of the stories and poems listed included sexualized and pornographic content. We randomly clicked on one story called "Derrick Mickelson's Cuddle Bed for Wayward Boys."

to the door and burst through on his horse. The priest looked up in surprise. His cassock was up around his waist exposing his hairy legs and long thin cock. He was standing over Nancy who was naked on all fours giving him head while Billy did her ass.

"Madre Dios!" the priest screamed and pulled down his cassock.

"You done already?" Nancy growled.

Billy whirled around reaching for his gun, but Sheriff Clapp drilled a hole in his chest.

"Now why'd you do that?" Nancy screamed. "You coulda had some if you

"That's sweet," she said and gave him a hug.

Clapp felt another hard-on coming on, but it would have to wait. His cock was feeling sore now, it burned when he peed and a milky substance was leaking out from the tip. He dropped Nancy off at McMurdy's. Miss Felicia gave her a good whipping and let him watch. It made his heart feel good. When he got home, he poured himself a tall glass of whiskey and soaked his cock in it. Later, he drained the glass and was ready to meet the world again.

"Murderer!" the priest said pointing at Clapp, so the sheriff plugged him too. He never liked papists.

"You're comin' with me Nancy. Hog City needs you."

He pulled the naked girl onto his horse and road back out of the church. He fucked her three times on the way back to town, once while they were still riding.

Clapp apologized to Nancy for ruining her wedding. She didn't seem too upset.

"I didn't know how boring he was until I had to spend all day with him," she explained. "Guess its for the best. I'd probably have run off on him in a week

by Thomas Moule

Marshall Dugan was hiding behind a buckboard. He snuck a peek at the shack made of unseasoned pine boards. The place looked like a strong wind could blow it over, but he couldn't wait for the breeze to pick up. There were three men inside wanted for murder: Jefferson Kendall and his sons Tyler and Pierce. Dugan glanced at the men in his posse. All the men he had deputized were in place, hidden behind the remains of fence rail, scattered trees, and the ridge to the east of the shack. Cameron Creek gurgled behind the shack - at the bottom of a ten foot drop. Dugan was expecting a shoot out, but he hoped to avoid one. If he couldn't, he'd like to delay it long enough to get some of his men into the
